About This Game

Racing on rectangular platforms!

In the world of RectRacer, you can design your own levels and compete with your friends in a fun and exciting race on rectangular platforms with four game modes: Solo, Simple Play, Online and Party.

Solo mode features a level editor, playable tours and levels and a competitive score listing.

Simple Play is a game mode which brings infinite gameplay.

Online mode introduces level sharing

Party mode brings Versus mode and Marathon mode where up to 10 players can play together and compete locally.

Enjoy the race :)
